## CHAIRMAN'S REPORT 2015

Achievements and changes both in and out of the pool has been a hallmark of the 2014/2015 year for Auckland Swimming.

The most significant of these has been the adoption by our clubs of the new regional constitution in December 2014. The adoption of this constitution, one of the recommendations of the review of Swimming New Zealand undertaken in 2012, implies that Auckland Swimming now has constitution similar to that of the other regions, but with ours still containing region specific nuances. It also implies a new phase of the implementation of the recommendations of this review and the whole of sport plan for swimming in New Zealand.

As result of the adoption of the new constitution, the Board, together with the different Working Groups, have reviewed the Regulations of Auckland Swimming and the adjusted Regulations have been presented to clubs for adoption at the Annual General Meeting. The review of the Regulations has been a valuable and important process for the Board and the Working Groups as this process allowed us to evaluate our own processes and focus on what is important for our region. I want to thank the Board, the Working Group members, Tonia Wheeler our registrar, the Life Membership & Awards Committee who were involved in this process, for their contribution and patience. I trust that the region will continue to review this document to ensure it stays aligned with the changes we experience.

One of the successes in the pool for Auckland has been the win by the Harlequins team of the Zonal Championship in February 2015. The combined talent of the Auckland, Counties Manukau and Northland swimmers showed that the Harlequins team is a force to be reckoned with. It was also fantastic to see how these three regions worked together to achieve this result.

Considering that many swimmers have their goal set on qualifying for the 2016 Olympics in Rio de Janeiro, it is heartening to report that a number of Auckland swimmers of different ages have competed at a number of international events in the past year or have been selected for international events in the coming weeks. Considering the number of swimmers who were selected and especially that this included age group/youth level swimmers, it suggest that we may experience more success in the future.

Once again congratulations must go to the Lauren Boyle, for breaking the world record in the 1500m freestyle in August 2014 and also for her medal winning performances in the 2014 Commonwealth and Pan Pacific Championships. Similarly we need to congratulate Gabrielle Fa'amausili for winning the bronze medal at the 2014 Youth Olympics in Nanjing. Congratulations to all the Auckland swimming members who represented New Zealand in the past year; Lauren Boyle, Mitchell Donaldson, Dylan Dunlop-Barret, Steven Kent, Laura Quilter and Glenn Snyders in the 2014 Glasgow Commonwealth Games and 2014 Pan Pacific Championships; Gabrielle Fa'amausili, Jacob Garrod and Michael Mincham in the 2014 Youth Olympics in Nanjing China, Rebehah Bradley in the Junior Pan Pacific Championships; Glenn Snyders in the FINA World Short Course Championships; Annabelle Paterson in the 2015 Australia Age Group Championships; and Caroline Baddock, Shaun Burnett, Monique King, Georgia Marris, Michael Mincham, Alex Peach, Laura Quilter and Philip Ryan in the 2015 World University Games.

Best wishes to our Auckland swimmers who will represent New Zealand at the FINA World Championships, FINA Junior Championships and Youth Commonwealth Games in the next two month; Lauren Boyle, Glenn Snyders, Wilrich Coetzee, Gabrielle Fa'amausili, Yeonsu Lee and Annabelle Paterson.

In January 2015, Sarah Thomas resigned as Executive Officer in a caretaker position. While she only filled this role for a 12 month period, she held this position with an enthusiasm and a dedication that is commended. I want to thank Sarah for the role she played during this period as this ensured that Auckland Swimming could continue to operate with minimal disruption. Brett Green was appointed the Executive Officer role in March 2015 and during his time at the office Brett has showed that he enjoys being back in swimming. In his short time we have seen evidence of his enthusiasm, the most visible being the move to the new offices at The Trusts stadium in Henderson.

Aside from the appointment of our new Executive Officer, Auckland Swimming experienced a few staff changes in the past year. I do want to thank all the staff members of the past year, Hayley Palmer, Ben Gilles, Kimberly Tall and Daniel Houzet for their dedication and roles they played. Both the administrator and account officer positions are vital to the success of the Association. Since April 2015 Kate Griffiths has been our part-time administrator and in her time at the office, Kate has showed that she is a fast learner and has been a great support to Brett.

The success of our sport is dependent on our volunteers. Without you the hours of hard training by our swimmers counts as nothing and without you we cannot function. The Board and I would like to pay tribute to you and thank you for the hours you put in. Of our volunteers who need a special mention include Suzanne Speer for receiving a Swimming New Zealand Service Award; Judith Wright and Jo Draisey for receiving a Swimming New Zealand Honours award.

A word of appreciation should go to our sponsors and funding partners of the past year. Auckland Swimming cannot function without your support.

A big thank you must go to our various working groups. You are an extension of the Board and have played a large part in the successes and achievements of the past year. I also want to thank Tonia Wheeler, our registrar. After many years of filling various roles Tonia has indicated that she is stepping down as registrar too. We wish Tonia all the best for the future and trust that we will see her from time to time.

I would like to conclude by expressing my gratitude and appreciation to each member of the Auckland Swimming Board. It is a real pleasure to have you as part of a team who has a passion for the sport. The past year has been a unique year with some interesting challenges. The willingness of each of you to work together to resolve issues is appreciated.

Willem Coetzee  
Chairman  
Swimming Auckland

## EXECUTIVE OFFICER'S REPORT 2015

It has been a busy and exciting 5 months and I would like to thank the Board, Sarah Thomas, Kimberly Tall and Daniel Houzet for helping me to find my feet and get my head around Swimming Auckland. I have quickly formed a deep appreciation and respect for our wonderful Officials and Volunteers without whom we would simply not be able to operate. It is their selfless giving of their time that allows us to run the fantastic Championship meets that we do along with 30+ other meets throughout the year.

This Annual Report focuses on the year just ended and I congratulate everyone on a very successful year of achievements.

I would like to focus on the coming 12 months and beyond. I have come back into the sport after 20 years and while much has changed, much has remained the same. It has been a turbulent time for our sport over recent years and the fallout will take time to recover from. Our relationship with SNZ has not been a healthy one and as the largest Region for our sport I believe we have a responsibility to bring solutions by working collaboratively and to not be an ongoing part of the problem.

There has been much contention around Regional Constitutions and Databases. It is now time to put those issues in the past and to refocus ourselves on moving forward for the good of the sport.

### **GOVERNANCE and MANAGEMENT**

The Board has worked hard to update the constitution and regulations. Along with ensuring there is a full compliment of Board members our focus over the next 12 months will be on developing a new 5 year Strategic plan. A plan that keeps our Swimmers at the heart of everything we do.

Our Working Groups have also been understrength and over the previous few years have had much of their work centralised into the office. This is unsustainable. They are a vital part of our management structure and need to function effectively and efficiently.

### **FINANCE**

Finding a sustainable income stream that does not draw on our already over stretched members is a priority and not a quick fix. As an Association we are asset rich but cash poor. We have many months when there is little or no cash flow. As our assets age they need more maintenance and our ability to fund this maintenance along with a replacement programme is solely reliant on grants.

### **TECHNOLOGY**

Our timing equipment is due for replacement and upgrade. We are currently in the process of purchasing 8 new touch pads in time for the long course season. We are just awaiting the outcome of one more grant application.

An upgrade from our Ares operating system to Quantum is being planned. This is an 80k project over the next few years.

The scoreboard also needs replacing. This is a 200k project and one that will need the partnership of the Local Massey Board along with other partners.

### **OFFICE**

We now have profile and a professional space to meet and work. It also connects us with our key venue West Wave along with key Sponsors and Partners, The Trusts, The Trusts Arena and the Local Massey Board.

An ongoing project will be to update our procedures and processes with the aim of working smarter not harder. The answer to a lot of my questions has too often been 'that's the way its always been done.'

### **RELATIONSHIPS**

These are key to any organisation. I will be focusing on rebuilding, maintaining and enhancing the many relationships we have across our network of members, clubs, regions, sponsors and partners.

Our base of officials and volunteers is strong yet badly depleted. We need to be encouraging new people to put their hands up to help when and where they can. Again the work we need our volunteers to assist with cannot be done by the office.

### **WEST WAVE**

A shiny new pool at MISH. Oh the temptation.

The new pool is simply far too expensive for us to consider using.

The majority of our funding comes from the Trusts and Local Massey Board, all which would be severely jeopardised with a move to the new pool.

We have many challenges ahead, but none which are unsurmountable. We are in an exciting time of change and tension from which creative and innovation solutions will flow.

I look forward to working with you all to ensure that Swimming Auckland really is 'Competitive Swimming at its Best'

Brett Green  
Executive Officer  
Swimming Auckland

**INDEPENDENT AUDITOR'S REPORT  
TO THE AUCKLAND SWIMMING ASSOCIATION INC****Report on the Financial Statements**

We have audited the financial statements of Auckland Swimming Association Inc on pages 4 to 9, which comprises the balance sheet as at 30 April 2015, the statement of profit and loss and statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

This report is made solely to the members of the association, as a body. Our audit has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

**Board members' Responsibilities for the Financial Statements**

The Board members are responsible for the preparation of financial statements in accordance with generally accepted accounting practice in New Zealand and that give a true and fair view of the matters to which they relate, and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibilities**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view of the matters to which they relate in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Auckland Swimming Association Inc.

#### **Basis for Qualified Opinion**

Cash donations, grants and sponsorships are a source of income for Auckland Swimming Association Inc. The Association has determined that it is impracticable to establish control over the collection of cash grants, donations and sponsorships prior to entry into its financial records. Accordingly, as the evidence available to us regarding income from this source was limited, our audit procedures with respect to cash donation, grants and sponsorships had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether cash donations, grants and sponsorships Auckland Swimming Association Inc has recorded are complete.

#### **Qualified Opinion**

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements on pages 4 to 9 present fairly, in all material respects the financial position of Auckland Swimming Association Inc as at 30 April 2015 and its financial performance for the year ended on that date in accordance with generally accepted accounting practice in New Zealand.

#### **Emphasis of Matter**

We draw attention to Note 8 to the financial statements which describe the uncertainty related to the going concern assumption. The financial statements were prepared on a going concern basis, the validity of which depends on the continued financial support of grant and funding organisations to cover its operating expenses. However funding going forward has no certainty attached to it. If this financial support is not forthcoming, there would be uncertainty as to whether the Association will be able to pay its debts as and when they fall due and payable, therefore the going concern concept may be invalid and provisions would have to be made for any loss on realisation of the Association's assets. Our opinion is not qualified in respect of this matter

#### **Report on Other Legal and Regulatory Requirements**

We have obtained all the information and explanations we have required. In our opinion proper accounting records have been kept by Auckland Swimming Association Inc as far as appears from our examination of those records.

## Notes to the Financial Statements

For the year ended 30 April 2014

### 1. Statement of Accounting Policies

#### Reporting Entity

Auckland Swimming Association Inc. is incorporated under the Incorporated Societies Act 1908.

The financial statements have been prepared in accordance with generally accepted accounting practice. The Association qualifies for differential reporting exemptions, as specified by the External Reporting Board statement of concepts for general financial reporting, based on the following criteria:

- It is not publicly accountable, and
- It is not large.

The Association has adopted all available differential reporting exemptions.

#### Measurement Base

Accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis are followed by the Association.

#### Specific Accounting Policies

The following specific accounting policies which materially effect the measurement of financial performance and financial position have been applied:

#### Property Plant and Equipment

Property Plant and Equipment are stated at cost or valuation less aggregate depreciation, which has been calculated using the maximum rates permitted by the *Income Tax Act 2007*. The depreciation rates are shown in the Fixed Assets Schedule.

#### Goods and Services Tax

The Statement of Profit and Loss has been prepared on a GST exclusive basis. All items in the Balance Sheet are stated exclusive of GST with the exception of receivables and payables which include GST.

#### Accounts Receivable

Accounts receivable are stated at estimated realisable value after providing against debts for which collection is considered doubtful.

#### Income Recognition

Income from donations and membership is recognised in the Statement of Profit and Loss when received. However Grants income received for which the association has yet to perform its obligation under the terms of the grant is recorded as being in advance and is a liability included in creditors and accruals in the Balance Sheet.

Income owed to the Association for services rendered is recorded as Sundry Debtors in the current assets in the Balance Sheet.

#### Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

## 8. Going Concern

The Association is dependent on the continuing financial support of grant and funding organisations to cover its operating expenses however funding going forward has no certainty attached to it. If this support is not forthcoming there would be uncertainty as to whether the Association will be able to continue as a going concern and therefore whether it will be able to pay its debts as and when they fall due and payable, if the Association is unable to continue in operational existence, and pay its debts as and when they fall due, adjustments may have to be made to reflect the situation that assets may need to be realised and liabilities extinguished, other than in the normal course of business and at amounts which they are currently recorded in the Balance Sheet.

## 9. Contingent Liabilities

Contingent Liabilities at 30 April

------------	------------

The National Swimming Association changed its constitution, to the effect it would seek to impose potentially a governance structure over and even have the ability to levy individuals associations beneath it. There is the potential for a charge to be imposed on the Association and its effect on the financial statements cannot be quantified.

## 10. Event Subsequent to Balance Date

Subsequent to balance date, the Association entered into an agreement with Waitakere City Stadium Trust to lease office space for a period of 36 months commencing 29<sup>th</sup> June 2015 noting that the tenancy can be terminated by either party giving the other 6 months notice in writing.
