CHAIRMAN'S & CEO REPORT 2021

With Covid still at the forefront, the 2020 – 2021 season faced many uncertainties. Our financial forecasts were dire at best. The Board and Office worked diligently and innovatively to curb costs by various avenues including closing the office at Central Park Drive and using the AOD Room at West Wave as an office when needed and for Board Meetings when face to face meetings were possible. Zoom meetings became the norm and a learning curve for many people.

We were successful in being able to access financial aid from many agencies and as such are in a much better financial position than the uncertainty we were facing at the beginning of this financial year.

The Board wishes to thank Brett and Kate for their diligence during what has been some trying times throughout the year.

The Board would also like to thank Glenn Hamblyn and Dean Prime for their great work and time on the Board. They were instrumental in helping to guide us through the turbulence of Covid and the 'interesting' developments around out or region clubs.

The rollercoaster of Alert level changes played havoc with training and competition for Auckland swimmers and coaches. The Short Course meet we held jointly with North Shore Swimming Club in order to give our swimmers, coaches and parents some certainty of being able to compete at a National level was a great success, with some amazing results. It is just unfortunate that our swimmers, who chose not to risk being locked out of the meet in Hamilton, weren't afforded National titles or medals.

The Anthony Mosse Meet was a great way to start off 2021. Anthony arrived for a short visit and enjoyed the meet so much he stayed for most of the day. The team from the Cook Islands, the first team in the world in 2021 to travel quarantine free, was a great addition to the meet. They embraced and relished the opportunity and the atmosphere.

Many Auckland Clubs have had their income reduced due to meets being cancelled because of either Covid or the issues that West Wave have had causing closures, due to mainly electrical issues. Our understanding is that these issues are being addressed with over \$10m being spent on the complex in the coming year.

It is apparent at all levels of swimming that we need to increase our officials base so as to share the load. It is important that our amazing officials do not feel that the generosity of their time is not taken advantage of. We, like most sports, are battling in this area. It is up to all of us to continue to encourage our members to get involved in officiating. The more we have the less everyone has to do!

Our working groups continue to be amazing and work tirelessly in the background ensuring we are fit for purpose and ready to go.

Our Technology Group has had to face some big challenges throughout the year. Lots of expensive equipment and very little money! They ensure our technology and electronics are

working and behaving and have spent countless hours on our behalf. Thank you most sincerely for the time you give to make sure everything is running smoothly at meets.

Our Technical Group ensure we are compliant with swimming rules. This is not always easy when new events, like 'kick races' are thrown into the mix. They also have to develop protocols around Level 3 officiating and the new 'non designated meet' criteria. It will be an interesting journey.

The Competitive Swimming Group have worked well together and given SNZ some challenges to work with to make the National competition plan more swimmer and family friendly. They are busy Coaches who give up additional time to plan our regional competition calendar and structure. It is not easy to balance the increasing layers of competition. They are a dedicated, passionate and enthusiastic group.

Police Vetting has been rolled out at a national level and will also be rolled out at an Auckland regional level for all officials, coaches, managers and club representatives on pool deck at meets. This is to ensure that we are compliant with the Vulnerable Children's Act and the SNZ Member Protection policy.

2020, the year everyone wanted to see the back of!

2021 was going to see the world return to its usual axis. Alas, the pandemic is worse now than 12 months ago. The impending L4 lockdown is ever present, and Plan A and B now includes C, D and E.

Our mental health, our resilience and anxiety levels are continually being pushed to unprecedented levels. Whilst high profile athletes like Simone Biles and Naomi Osaka have shone a bright spotlight on athlete mental health, the tragic death of Olivia Podmore is a stark reminder that more often than not, mental health hides in the dark and shadows.

Let's look out for each other, be kind and caring with our words and actions, be supportive and understanding. A kind, encouraging word and a warm smile might just be the difference.
