Dear Members,

The ASA Board are actively monitoring information about the spread of Coronavirus in New Zealand and around the world.

Recent advice has been published on event size numbers, social distancing and being able to track where all participants are seated. This advice is likely to be tightened in the coming days and weeks.

In light of this, the Board wishes to advise that all meets and events under ASA control have been cancelled indefinitely and effective immediately.

This includes this Saturdays ASA Squads sessions and this Sundays L3 at North Shore.

The Health and Safety of our members, our volunteers and the general public is paramount.

Clubs are also instructed to introduce procedures for trainings, club nights and gatherings that ensure its members are kept as safe as possible.

Regards
