

ASA NOMINATIONS FOR 2021

ASA is committed to ensuring that our Board reflects equity and diversity as per the Sport NZ 2021 target. While the focus of this target is on gender, tangata whenua and diversity more broadly, are important at a governance level of any organisation. Diversity encompasses a wide range of dimensions such as ethnicity, Māori whakapapa, LGBTQI+, age, culture, disability, background and experience. New Zealand has over 213 ethnicities, making us one of the most diverse countries in the world. Embracing diversity does not mean compromising on the skills, experience and professional qualifications of board members. It's about appointing and electing people on merit, who also bring diversity of thought and perspective, to enhance board decision-making. This will help drive better outcomes and long-term success.

ASA encourages clubs and members to make nominations that will enable us to achieve equitable and diverse governance.
