A Challenge to our teams who competed in Term 2 2018

We want more teams for you to compete against, so we have a challenge to our teams who were registered in Term 2 2018 ... if you can sign an additional team to the competition then we will discount your team's entry fee to \$180 for Term 3 2018. This additional team must be from a school who did not enter in Term 2, or they can be an additional team from your own school. Tell your team to spread the word and get their friends swimming for their schools in the next competition.

Drowning Prevention Auckland onboard

In Term 3 we are introducing and trialling a life-saving element for an event in our race programme ... this is going to make racing even more fun!

In addition to a new pool event, we will hold a CPR session for teams at the end of their races after one of the rounds. More details to come but this will be a 30-minute practical session with rescue mannequins and instructors ... thanks **Drowning Prevention Auckland!!!**
